STATUS INQUIRY

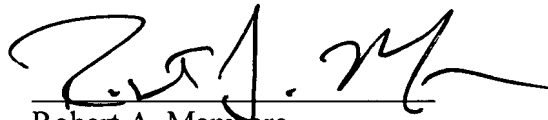

The above-referenced application was filed on February 13, 2002. On February 7, 2005, a Petition for Revival of an Unintentionally Abandoned Application, Request for Continued Examination, and a Response to the Final Office Action dated December 4, 2004 was filed. The Decision on Petition to revive the application was granted and mailed to Applicant on March 25, 2005, indicating that the application was being forwarded to Technology Center 2800, GAU 2812 for further processing. However, since that time, Applicants have not received any further communication from the USPTO, and in review of PAIR on June 29, 2007, this application is noted to remain abandoned despite the Decision on Petition. Applicants respectfully request that the Patent Office provide the undersigned with the current status of the above-referenced

application, in accordance with the Power of Attorney and Change of Correspondence Statement Under 37 CFR 3.73(b) dated July 2, 2007 and provided herein.

The Patent Office is encouraged to contact the undersigned at the number listed below with any questions.

Respectfully submitted,

Date: July 3, 2007
